platinum

Platinum coverage is our elite plan specifically designed to provide unparalleled coverage – especially for vehicles that are well equipped. The Platinum Plan provides you with the most comprehensive Carbone Auto Group coverage available and is easy to understand. Platinum is "exclusionary" coverage which simply means if a component is not listed below under "What is Not Covered (Exclusions)", then it is covered. It's as simple as that.

The list of exclusions is minimal and consists mostly of maintenance related items. With the ever growing complexity of today's automobiles, you will find Platinum provides comprehensive coverage for your vehicle and protects you from unexpected and expensive auto repair bills. Platinum coverage is the ultimate choice for your peace of mind.
